9000 Series™ 90013

The versatile HexArmor[®] 9000 Series[™] offers a line of seamless coated gloves, supplemented with SuperFabric[®] brand materials, and purpose-built for a variety of industrial applications. An ANSI/ISEA level A8 cut-resistant interior palm protects users from lacerations and industrial punctures, while a fiber-blend shell offers differing levels of cut protection, flexibility, and dexterity. Each product in the 9000 Series[™] features a unique palm coating, maintaining the highest grip in varying conditions while increasing abrasion resistance and extending product life.

Protection zones

	SuperFabric® Protection Zone HPPE Blend Shell
ANSI/ISEA CUT	A8
GRAM SCORE	5022
ANSI/ISEA PUNCTURE	4
