

### HexArmor® Ceros™ Face Shield With TruShield® Coating

Comfortable, close-fitting protection with anti-fog and scratch-resistant technology.

#### HexArmor® face shields are purpose-built to:

- Sit comfortably closer to the face for more protection
- Conveniently Click-and-Go™ on HexArmor® safety helmets with the magnetic accessory system
- Keep vision completely clear with TruShield® anti-fog coating on the inside of the face shield and increase longevity with a scratch-resistant hard coat on the outside
- Nest evenly across the top of the helmet when pushed up and not in use, so wearers experience less strain and more balance
- Be compatible with HexArmor® earmuffs

TruShield® is a multipurpose dual coating that offers anti-fog protection on the inside of the face shield and a scratch-resistant hard coat on the outside of the face shield.

#### All HexArmor® TruShield® coatings have four unique characteristics:

- Permanent - it will never wash off
- Hydrophilic, absorbing properties
- Scratch-resistant
- Flow-coated
