

# HELIX® 1091

HexArmor®

Innovation intertwined with safety. That's the DNA of the Helix® Series. The silicone-free Helix® 1091 features a skin-safe, 15-gauge nylon shell that provides durable protection while still giving wearers that second-skin feel.

The silicone-free foam nitrile coating adds durability to the palm while providing a solid grip in dry, oily, or wet situations. The 1091 is also REACH compliant meaning it's skin-safe and void of harsh chemicals.

## Protection zones

 ANSI/ISEA CUT **A1**
