

11-SPR25HV-T

25-FT HI-VIZ SURVEYOR'S FIBERGLASS GRADE ROD

SALAMANDER
SERIES®

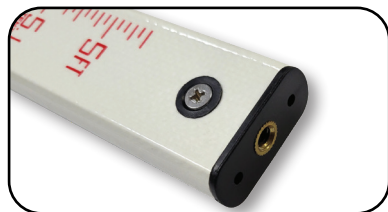

Our most popular rod - made **Hi-Viz**. The Salamander® SPR 25HV leveling rod is made of durable fiberglass with reinforced ribs for added stability. Lightweight, telescoping rectangular-oval shaped sections make this leveling rod easier to grip and allows for widened easy-to-read scales.

- Bottom section of rod is coated with UV-Resistant Hi-Viz Green Paint providing high visibility and safety to any environment
- Reliable, long-lasting spring-loaded round buttons provide tight, secure, locking of the sections, and designed to resist jamming from debris
- 1/4-20 female adapter in top section for mounting prism
- Glare resistant, easy-to-read graduations and a special measuring scale on the backside, suitable for many clearance and height measurements
- Non-conductive fiberglass is waterproof and corrosion-resistant
- Sections are easily removable for cleaning

DURABLE, SPRING LOADED BUTTONS

Long-lasting spring-loaded buttons provide secure locking of the sections, and designed to resist jamming from debris

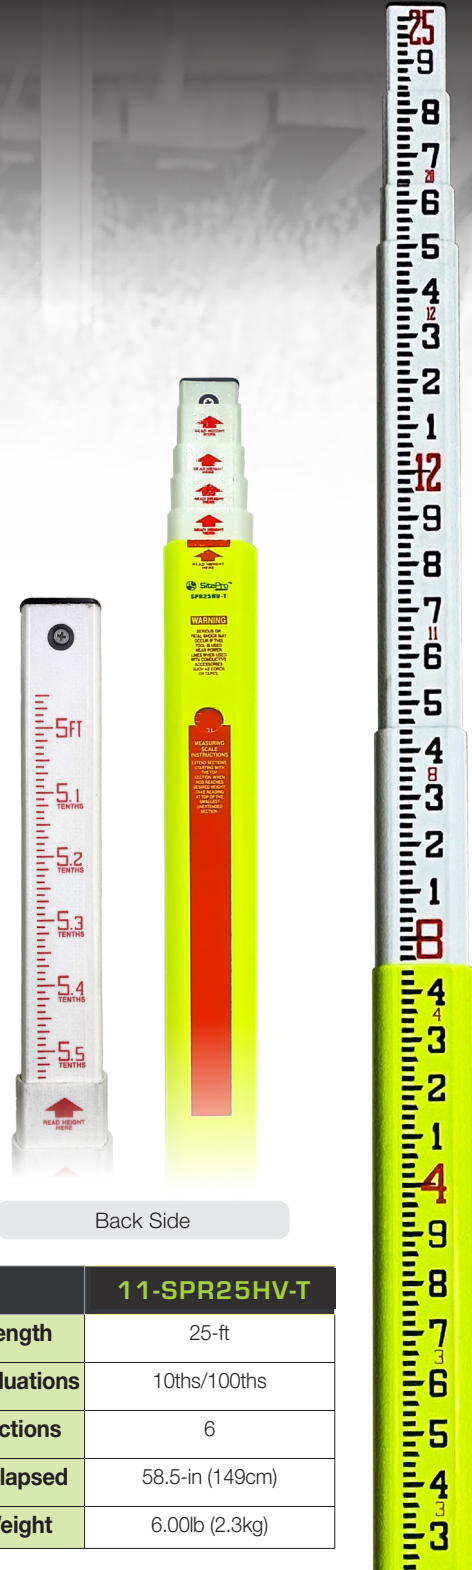

MOUNTING TIP FOR MINI PRISM

Top section of leveling rod has built-in 1/4-20 female thread, ideal for mounting a mini prism
