

TRADE-IN PROGRAM

SCHONSTEDT 
INSTRUMENT COMPANY

Making Locating Easier Since 1953

Trade any locator for a credit.
Any Schonstedt Unit will qualify for a \$150.00 trade in credit.
Any competitor's unit will qualify for a \$300.00 trade in credit.

Terms and conditions.

1. One Trade-In unit per each new unit purchased.
- 2. One Trade-In certificate per each new unit/kit purchased.**
3. Trade-In certificate must be completely filled-out.
4. Trade-In only offered to End-Users.
- 5. Competitor Units must be returned to Baseline Equipment Company prior to credit being issued.**
- 6. If a serial number can not be located on any instrument being traded, that unit must be returned to Baseline Equipment Company before credit will be issued. This may cause a delay in credit being applied.**
- 7. Trade in must be accepted by Schonstedt before credit will be applied. Schonstedt processes credits at the end of every month so please allow 4-5 weeks for processing.**

³⁵₁₇ *Trade-In offers are available to US and Canadian non-ordnance locating customers only.*

Please contact your sales consultant for an Return Merchandise Authorization number (RMA) before sending your unit in for credit.
